

**Call for Projects  
under the Climate Investment Program**

In compliance with Art. 66, Art. 68 of the Environmental Protection Act of the Republic of Bulgaria, Art. 56 of the Climate Change Mitigation Act and Ordinance of the CoM 201/26.03.2015, the National Trust Eco Fund is opening a **call for projects for financing through the Climate Investment Program (CIP)**.

**The objective** of this public call is to set up a project financing portfolio, aiming at reduction of the greenhouse gas emissions.

**The completed application forms** shall be submitted to NTEF via e-mail - [ecofund@ecofund-bg.org](mailto:ecofund@ecofund-bg.org).

**The main principles of CIP operation are the following:**

- ✓ Financing of projects, leading to direct or indirect reduction of the greenhouse gas emissions;
- ✓ Provision of grants for partial financing of the investment.

This call for projects is:

1.  Without application deadline.
2.  With application deadline. Letters of interest shall be received at the abovementioned address until \_\_\_\_ on \_\_\_/\_\_\_/\_\_\_\_.

More detailed information about the project parameters is provided in the [Guidelines to expression of interest for project financing and in the Program Operational Manual](#).

Phone number for additional information: 02 973 36 37 and 02 973 38 16
